

freshman admission

Missouri S&T has generous scholarships for entering freshmen. To apply for admission and scholarships, submit an Undergraduate Application for Admission and Scholarships online at apply.mst.edu by the **priority deadline of December 1**. An application, application fee (\$45), official high school and/or college transcripts and standardized test score (ACT or SAT) must be submitted. Applications submitted after December 1 will be considered for scholarships on a funds-available basis. *Applicants can request a paper Application for Admission by calling the Admissions Office at 800-522-0938 or 573-341-4165.*

Transcripts and test scores will not be accepted from the applicant. Request that your high school and/or college transcript be sent directly to:

Director of Admissions, Missouri S&T
106 Parker Hall, 300 W. 13th Street
Rolla, MO 65409-1060

Test scores are evaluated based on a student's highest composite score from ACT or SAT and should be sent directly from the testing agency.

Missouri S&T Test Codes:
ACT: 2398 | SAT: 6876

Admission Requirements

Missouri S&T admits students who have a strong probability of succeeding at the university. Admission is based on a combination of high school core curriculum, standardized test scores (ACT or SAT) and class rank percentile. Students who attend non-ranking high schools are evaluated for admission based on their GPA in combination with their test scores.

High School Core Curriculum

Students planning to attend S&T should follow a college preparatory curriculum completing at least 17 units of credit (one unit = one year in class). Applicants lacking any core requirements will be reviewed on an individual basis.

- **English: 4 units, one of which may be in speech or debate. Two units emphasizing composition or writing skills are required.** Acceptable courses may be English 9, 10, 11, 12; Literature; Speech; Debate; Journalism; etc.
- **Mathematics: 4 units (Algebra I and higher).** Acceptable courses may be Algebra I, Algebra II/Intermediate Algebra, Geometry, Trigonometry, Calculus, Math Analysis, etc.
- **Social Studies: 3 units.** Acceptable courses may be World History, American History, Government, Principles of Democracy, etc.
- **Science: 3 units, one of which must be a laboratory course.** Acceptable courses may be Biology, Earth Science, Chemistry, Physics, etc.
- **Fine Arts: 1 unit.** Acceptable courses may be Visual Arts, Music, Theater, Painting/Drawing, etc.
- **Foreign language: 2 units (same language).**

Missouri S&T considers credits in the same manner that local school districts organize their coursework. For example, if a high school considers a course as a "science" credit, S&T will honor that designation by considering the same course as a "science" requirement.

Applicants who do not meet published admission requirements automatically receive a comprehensive review that considers the rigor of the curriculum and any extenuating circumstances mentioned in accompanying essay or letter of recommendation (if submitted with Application for Admission).

Junior Year

Take the ACT or SAT test at least once your junior year and send scores electronically to S&T
ACT code: 2398
SAT code: 6876

December

Spring: plan a campus visit to Missouri S&T
visit.mst.edu

April

Summer: consider attending a pre-college program or summer camp
summer.mst.edu

Senior Year

Apply for admission: submit your application for admission any time after your junior year
apply.mst.edu

Monitor deadlines for outside scholarships for which you plan to apply

November 1: Chancellor's Scholarship application deadline (Mo residents only)
sfa.mst.edu

December 1: priority application deadline for admission and scholarships
apply.mst.edu

February 1: final application deadline for scholarships

March 1: complete a FAFSA online to determine eligibility for financial aid
www.fafsa.gov

Late March: receive your financial aid award letter
joess.mst.edu

May 1: priority deadline to register for a PRO session and submit housing forms
pro.mst.edu
reslife.mst.edu

Summer: mail final transcripts to S&T

July 1: final application deadline for fall semester

Opening Week: meet new friends, get acquainted with campus and ease your transition to Missouri S&T
pro.mst.edu

Once you've been admitted, register for PRO any time after Sept. 1

S&T starts mailing Housing Agreements

Final scholarship and financial assistance awards mailed

Housing assignments and billing statements are emailed via JoeSS

Welcome to S&T

questions to ask

If at any time you are confused or just have a question, contact your admissions counselor.

Admission & Financial Assistance

- What are the admission requirements and when are application deadlines?
- Do you accept Advanced Placement, IB credit or CLEP?
- Do you accept dual-enrollment or transfer credit from other colleges?
- What is the total cost, including living expenses for one year?
- Are there merit-based scholarship opportunities?
- What is taken into consideration for financial aid and how do I apply?
- When will I be notified about scholarship awards?

Academics

- What academic support or tutoring services are available?
- Are there opportunities to do undergraduate research?
- How long does it typically take to complete the degree I'm interested in?
- Can I meet with a faculty member or student while I'm visiting?
- What if I change my mind about what I want to study?
- How does the school prepare graduates for professional positions?
- Are students allowed to take courses outside their major program?

Extra-Curricular

- What kinds of cultural events, clubs and organizations are available?
- Is there a variety of shopping nearby?
- What do students do for fun in the area?
- What kind of recreational opportunities are available nearby?

Career Support

- Does the school support students that are seeking co-ops and internships?
- Is there a career center on campus and what services does it offer?

Housing

- What are my living options?
- May I choose my own roommate?

Other

- Will I need a computer of my own or are they easily available on campus?
- How do I get athletic and event tickets?
- Can I bring a car, will I need it, and if so how do I get a parking permit?
- How safe is the campus and community?
- Is the community supportive of the campus?
- What services are offered for students with learning or physical disabilities?
- What transportation is available in the area?
- Are counseling services available?
- Is there an on-campus health center and what services does it offer?
- After being admitted, what orientation programs does the school sponsor?
